QUOTE OF THE MONTH

“Without leaps of imagination, or dreaming, we lose the excitement of possibilities. Dreaming, after all, is a form of planning.”

Gloria Steinem

Welcome to the premier issue of our monthly newsletter. Just like when we perform our magic shows we want to bring a bit of laughter and fun to you. As we have often said—there is a shortage of laughter in the world today, and our goal is to reduce that shortage as best as we can. Our plan is to send our newsletter to you monthly to let you know that we care and think about you. Till next time, stay safe & well and may every day be *magic*.....

Charlie & Barb

Why...
...is the time of day with the slowest traffic called rush hour?

Why...
...do supermarkets make the sick walk all the way to the back of the store to get their prescription while healthy people can buy cigarettes at the front?

Why...
...do people order double cheeseburgers, large fries, and a diet coke?

Why...
...do banks leave vault doors open and then chain the pens to the counters?

“Are you seeing anyone?”

This year we are not only publishing our newsletter, but we are also creating a brand new entertainment option: VIRTUAL ZOOM SHOWS which can be watched in the safety and privacy of your home without concerns about social distancing and CDC requirements. It is fun, easy to do and very affordable. Experience the magic up close where *everyone* has a front row seat. CALL NOW 916-441-8059 so we Can show you how quick and easy it will be.
