Now live in-person shows

We are now booking live shows in local day cares and pre-schools. Just about everyone we talk to says they are ready to leave the Zoom screen behind and turn to our in-person show. We are excited to announce that we have an all new show specifically designed for your audience. The kids are excited to have us back, and we are just as excited to be back too.

“Jumped over moon. Impressive.”

“Soup of the day? Mumbo Jumbo Gumbo.”
