QUOTE OF THE MONTH

“The most effective way to ensure the value of the future is to confront the present courageously and constructively”

.....Rollo May, *PhD*
neither can drown it.

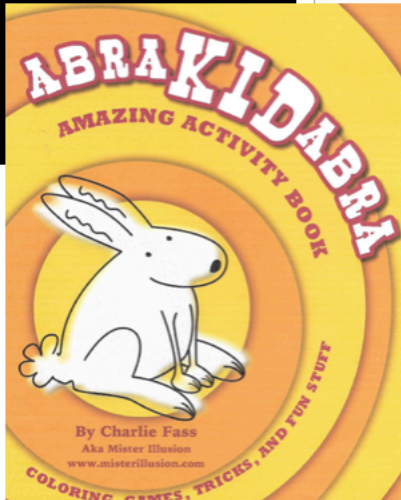

We are very fortunate to meet so many wonderful people. Last month we met **Emiliano Amador** (age 8) at his family barbecue. Then we met **Kathy Lynn** in Yuba City for her 38th birthday celebration. Before the month ended we met **David** (1 year old) along with *Mickey & Minnie Mouse, Wonder Woman and Iron Man!* Barb and I totally enjoy entertaining at birthday parties for all ages. We would *love* to bring magic to your next event, family gathering, or celebration.

Are you sure you want to fix your trick knee? This is pretty cool.

“Siri, what time is it when the big hand is on the two and the little hand is on the ten?”

Did you Know?...

...That when we perform magic at your birthday event, the birthday person receives the gift of one of our published magic books? **‘AbraKIDabra’** Book for younger set and “Learn Magic” for older kids.
